Are you eligible for a **FREE** Home Fire Safety Check?

We can help reduce the risk of a fire starting in your home

ROYAL BERKSHIRE
FIRE AND RESCUE SERVICE

PREVENTING  PROTECTING  RESPONDING
Home Fire Safety Checks

Every year Royal Berkshire Fire and Rescue Service is called out to approximately 500 fires in the home, of which over 100 result in injury or death. However, the best way to deal with house fires is to prevent them happening in the first place.

A Home Fire Safety Check can significantly reduce the risk of a fire starting in your home. During a Home Fire Safety Check, firefighters or a member of our Prevention team will visit your home at a pre-arranged time. We will thoroughly check your home for fire hazards, and provide information on kitchen and electrical safety. We will also fit ten-year smoke alarms where necessary and give advice on:

- Maintaining smoke alarms
- Night time fire safety routines
- Making an emergency fire escape plan
