Free milk, fruit, veg and vitamins if you’re under 18 and pregnant

Can I really get this free?

Yes really!

Healthy Start
I accept Healthy Start vouchers
So what do I get?

While you’re pregnant, you get one voucher a week.

And if, after the baby is born, you or your family receive:

- Income Support OR
- Income-based Jobseeker’s Allowance OR
- Income-related Employment and Support Allowance OR
- Child Tax Credit (but not Working Tax Credit unless your family is receiving Working

Tax Credit run-on only*) AND an annual family income of £16,190 or less in 2010/11

- then you will stay on the scheme and get **two vouchers a week** (worth £6.20 in total) until the baby is one year old and then one voucher a week (worth £3.10) until your child’s fourth birthday.

*Working Tax Credit run-on is the Working Tax Credit you receive in the 4 weeks immediately after you have stopped working for 16 hours or more per week.
