We are a free service promoting health in the Bristol and South Gloucestershire.

All resources are regularly reviewed by our Health Promotion specialists, in accordance with our NHS policy guidelines.

We stock a wide range of resources and leaflets suitable for people with learning difficulties as well as resources/leaflets in ethnic minority languages.

We supply leaflets and posters in 27 topic area's, we also stock a wide range of health promotion teaching packs, DVDs, equipment and models.

We can also support Health Professionals with health events such as No Smoking Day.
