I accept Healthy Start vouchers
So what do you get?
You can join Healthy Start at any time, even if you’ve already had your baby. Here’s what you get:

- while you’re pregnant, you get one voucher a week worth £3.10
- once you’ve had the baby you get two vouchers worth £6.20 until the baby is one year old
- then you get one voucher a week worth £3.10 until your child’s fourth birthday.

It might not sound like a lot, but it adds up to over £700, so it’s well worth doing!

We’ll also send you helpful information about healthy eating and handy tips on breastfeeding, as well as recipes to help you make the most of your vouchers.
Do I qualify?

You qualify for Healthy Start if you’re at least 10 weeks’ pregnant or have a child under four years old AND you or your family get any one of the following:

- Child Tax Credit (but not Working Tax Credit unless your family is receiving Working Tax Credit run-on only*) AND an annual family income of £16,190 or less in 2010/11.

You also qualify if you’re under-18 and pregnant, even if you don’t get any of these benefits or tax credits.

*Working Tax Credit run-on is the Working Tax Credit you receive in the 4 weeks immediately after you have stopped working for 16 hours or more per week.
