Dear .................................. Parent, Carer and Teacher,

We use this diary to keep us in touch about what we are working on in speech and language therapy. Please bring this diary to every session.

If homework is given, this will be placed in the diary so that it is easy to find.

The therapist may also set out the goals and achievements that they hope will be reached during each block of therapy.

Please use the diary to give us feedback on the homework exercises and to let us know if you need any further information or help.

Kind Regards,

The Speech and Language Therapy Team
Information for parents and carers

What do I do if we can’t come to an appointment?

- Contact us as soon as possible
  If you live in Gateshead Tel: 0191 445 6667
  If you live in South Tyneside Tel: 0191 283 2484

What happens if we don’t come to an appointment and I don’t let anyone know?

- If this was your child’s first appointment, perhaps it means that you no longer need our help. We’ll write to check whether you still want to come, and if we don’t hear from you then, you will be discharged

- If you do not attend twice within the same block of treatment, we will have to discharge you so that we can offer the time to someone else
