For further information visit: www.southglos.gov.uk/walking
Please see the front of this leaflet for the Walking for Health programme of shorter walks.
Welcome to the Stepping Forward programme for July to December 2018

Our Stepping Forward walk leaders are all trained to be aware of hazards and to keep an eye on the pace and needs of the whole group, but please do be aware that you walk at your own risk. All these walks are perfect for people who prefer something slightly longer and more strenuous than our Walking for Health walks. Most of these walks are between three and four miles so take between ninety minutes and two hours. No specialist equipment is needed for these walks, apart from sturdy footwear and rainwear. Please do remember a hat and water, especially in the warmer weather.

With the new season come new changes, for more information about the national Walking for Health and our South Gloucestershire scheme please have a look at the Walking For Health introduction.

I have an enormous thank you to make to the Filton/Patchway/Stoke team. After many years of being the main leader at Filton Patchway Stokes, leading a wonderful variety of weekly walks, discovering new walks, putting together the programme and nurturing new leaders, Angela Hattam has decided to take a less active role. Luckily for us, Angela will still continue to come along to some of the walks and help out when needed. Angela has done a fantastic job and made a massive difference to so many walkers. Thank you Angela! It’s a real testament to all that Angela has done that new and old leaders have come forward and will be seamlessly carrying on with the FPS programme. Thank you to Patsy, Carolyn, Ray, David and Mary for ‘Stepping Forward!’

As always we are looking for more volunteers – this doesn’t have to mean leading the walks, it can be walk leader assistants, admin, route planning, updating risk assessments, help with teas and coffees, booking venues. Training is free, informal and friendly. If you think you might be able to spare a few hours each programme to be part of a hugely rewarding and positive project then please contact healthy lifestyles on 01454 864005.

To try and reduce the amount that we all drive to the walks, I have included bus routes in the programme. However they are subject to changes, so please do check before setting out. Many of the walks have limited parking so it would be great if people could lift share wherever possible. Save the planet, money and a chance to chat even more with someone from your community. It’s win, win, win.

Happy walking

Christina

Please note all walks are at the leaders’ discretion on the day.
Two of the groups have a mobile phone number for you to check if a walk is still happening despite adverse weather or if you require more details about a walk. There’s no need to let leaders know if you can’t make it to a walk.

**SYD**  
Sodbury/Yate/Dodington  
07724 627104

For information about the key symbols, please see the front of our Walking for Health programme – this will tell you whether to expect stiles, muddy ground or inclines. There is usually somewhere to go for refreshments after the walk. Dogs are welcome unless otherwise stated, but please do keep them on a lead and be mindful of walkers who are less keen on dogs. Our walk leaders are fully trained and insured, but you do walk at your own risk.

### Monday 2 July  
Severn Beach

- **FPS**
- **SYD**

4 miles  
11am

Shops on Beach Road, Severn Beach  
BS35 4PQ  
623 (M, W & F), 625

*Includes parts of the Severn Way.*
