Other Services 25-27
This directory has been produced by the Royal Borough of Windsor and Maidenhead’s Drug & Alcohol Action Team, to provide an essential guide to local substance misuse services. The information contained in this booklet is aimed to assist both professionals and the public in accessing appropriate treatment, along with the details of many other services that are often required by substance misusers. Agencies covered offer a wide range of treatment options, ensuring flexibility and diversity for the service user.

If any further information is required, please do not hesitate to contact the Drug & Alcohol Action Team on 01628 796362, or log on to the Community Safety Website www.rbwmsafety4all.org.uk.
**Introduction**

$T_2$ is a dual service that supports both adults and young people. It provides a drugs information and advice service which includes drop in sessions, a needle exchange, individual support both facilitated and self help groups.

**Eligibility**

The service supports both adults and young people with substance misuse problems, with the young people's service largely on an outreach basis.

Advice and information is also available for any residents around drug issues.
Services

- Facilitated group work
- One to one key work sessions
- Counselling
- Needle exchange
- Drop in sessions
- Parents & Carers groups
