SUNBURN FADES
SUN DAMAGE LASTS

SunSmart
Cancer Research UK

The SunSmart campaign is funded by the UK Health Departments: Cancer Research UK registered charity no. 1089464. April 2009.
Getting a painful sunburn just once every two years can triple the risk of the most serious type of skin cancer.

Don't get caught out at home or on holiday. Use shade, sunscreen and clothing to protect yourself from sunburn.
