FANCY A BLOCKED ARTERY WITH YOUR PINT?

THOUGHT NOT!
Which is why your NHS is inviting everyone aged between 40 and 74 to have a FREE Health Check. It takes about 20 minutes and can reduce your risk of heart disease, kidney problems, diabetes or stroke. So if your GP invites you to make an appointment, please do, or visit one of the participating pharmacies. You can find out more at www.satw.nhs.uk

Free NHS Health Check
Helping you prevent heart disease, stroke, diabetes and kidney disease.
